## Message from the Commission

August was a busy month for the Commission with the much-awaited departures of the Fulbright Foreign Students, Visiting Scholars, Humphrey Fellow, Global UGrad Exchange and Opportunity Funds Program students to the US to begin their in-person learning and exchanges. Placements have been made at Columbia University (SIPA), University of Washington, University of Texas, Austin, Florida International University, NJ Institute of Technology, Michigan State University, St. Cloud State University, University of Utah for the Fulbright Scholarships and Exchanges, and at Howard, Princeton, Harvard, Stanford, Pitzer, Kenyon, Fisk, Sweet Briar, Swarthmore, Ramapo, University of Illinois, Soka, Drexel and Vassar College for EducationUSA Opportunity Funds Program students. It is an exciting time for the students as they partake in the exchanges and learning in the US. The Commission is committed to engaging our Nepali students and alumni with their experience and learning at the highest quality US education institutions to contribute to growth and change in Nepali society and to add to the discourse of mutual understanding and partnerships between the United States and Nepal. We are also hopeful that conditions will ameliorate in Nepal to be able to reopen the program for the US Students and Scholars to add to vibrancy of life and teaching and learning at higher education institutions, and partners organizations and schools in Nepal by early 2022.
